

Concordia University Ann Arbor

Athletic Training Program

Graduate Student Classification Acknowledgement

Per the Concordia University Wisconsin graduate student classification, and the Concordia University Ann Arbor Athletic Training Program Handbook, as a MSAT student, I have been informed, acknowledge, and understand that I will be classified as a graduate student after seven semesters (at the 3.5 academic year point). Graduate student classification also applies to a student taking MSAT classes as a transfer student or as a student with a bachelor's degree seeking a MSAT degree.

This change from undergraduate status to graduate status after seven semesters will occur at the start of:

(Student initials)_____

I understand that this classification as a graduate student will result in me and/or my parents/guardians being responsible for paying for graduate credit hours, and that I am responsible for contacting and arranging for payment of graduate credit hours with the Concordia University financial aid department. Graduate student status has different financial aid award rules, including the loss of any undergraduate scholarships.

Contact the following individuals with any questions on billing or financial aid as you transition from undergraduate to graduate student status: (pass along these numbers to your parents)

Questions about financial aid, contact Rachel Oelhafen in WI. 262-243-4279.

Questions regarding billing, contact Kristin Wuckert in Ann Arbor. 734-995-7586.

I grant permission for this acknowledgement form to be forwarded to the Concordia University registrar to make the appropriate change in my student classification from undergraduate to graduate student at the date indicated above
